Dear Donvic,

**Fitting-out works for Promiseland Independent Pte Ltd @ 7500A Beach Road,  
The Plaza #02-310, #02-312, #02-318 and #02-326**

On behalf of the Company, we wish to express our satisfaction and appreciation for the timely and excellent job done within our restrictive budget.

We recognise your patience with the design concepts, the processes, changes to be made and the responses to our numerous requests.

The whole premise was meticulously planned and space utilisation was maximized within the given tight space constraints and odd perimeters.

The staff, both our internal and external partners had expressed praises for the design and quality of work.

Special thanks to both you and Vincent for great attitude and passion demonstrated in the course of work. We have no hesitation in giving this testimonial of your excellent delivery of services.

Yours sincerely,

Benedict Tan  
Project Manager/  
Financial Adviser Director
