Dear Donvic and Suki,

On behalf of our company, Accellion , we would like to express our gratitude for the exceptional renovation works completed by The Interior Lab for our new office located at Chai Chee Road.

Working with The Interior Lab was an absolute pleasure, the design proposed was unrivalled and their team was professional and meticulous in their execution. The outcome of the office interior was beyond our expectations. We have received compliments from our staff and visitors for the amazing workmanship and thoughtful design.

We would like to take this opportunity to specially thank Donvic and Suki, for the timely execution of this 9300 sqft project within the pressing timeline of 6 weeks.

Without hesitation, we would highly recommend The Interior Lab to any business owners that are looking for a professional team, excellent service and great workmanship for commercial interior design services.

Thank You.

Yours Sincerely,

Accellion Pte Ltd
